Joomla 1.5.9 compatibility

Posted by KingoftheRoad - 2009/02/15 18:59

May anyone tell me whether JMS is compatible with Joomla 1.5.9, yet?

YES,
JMS >= 1.1.12 include the patches compatible with Joomla 1.5.9 .

Previous version also work with Joomla 1.5.9 but contain the Joomla "installation" Joomla 1.5.8
