Download Failed after Paid

Posted by rayproduction - 2012/01/04 08:41

I don't know why when about to complete the download is stop.
I clicked on the more than three times, has not downloaded any files on this I can not download!
How can I do it?! I don't want to wait 5 days!

Perhaps there is an internet connection error or timeout somewhere during the transfert.
You can always get a new download ID yourself when you apply the procedure described in the FAQ "get latest version".
This will resend you a new download ID.
