

Where is the update option ?

Posted by Alaink - 2012/08/02 15:34

Hi,

You have a new version, the 1.3 : congratulations. :)

I've bought the version 1.2 end of last year, and extensions this year.

Now, what is planned (commercial, I'm talking)

Must we pay the full price or are you planning an upgrade price ?

Thanks,

Alain
