Student - discount coupon
Posted by Supernatural - 2009/10/09 10:58

Hello,

i am student of university in Slovakia and i wont buy this super component. But the price is heavy for me. So please, is it possible to get the discount coupon for me?

Thank you,

best regards.

Paul.

We only distribute discount coupon to existing customers when there is an upgrade of version to allow them buying the new version to a lower price.
