templates Rocketheme Posted by Alter - 2010/06/01 15:22
Hello I saw that there could be problems with templates Rocketheme. Is this all Gantry framework versions? A single version Gantry? A single theme?
Re: templates Rocketheme Posted by edwin2win - 2010/06/02 14:20

YES all the RT that use Gantry.

The problem is located in gantry framework and RT declined to fix that.
