JMS, multisite for joomla - Joomla Multiple Sites and user sharing Generated: 6 December, 2025, 01:43

manage the license. JMS does not change that.

JomSocial License Posted by cre8or - 2012/03/30 22:14	
Is it possible to use multisites in a way th	nat we pay only once for the JomSocial Extension?

Concerning the license, JMS multisite do	oes NOT change the way the extension are working.
If the extension perform checks on the depotentially require a license for each web	omain or have specific processing to verify the license, they may osite.
Contact JomSocial to have more infos co	oncerning their license.

So the number of license that you have to buy depends on the extension themselves and the way that
