Wish to ear some news from you

I am stuck on this issue as I cannot continue to work relying on my temporary doubtful and probably wrong patch of AUP ext.

See reply in

http://www.jms2win.com/en/forum/25-extensions-compatibility/9234-alphauserpoints-extension-compatib ility-error?limit=6&start=6#9361

and please report the bug to Alpha User Point with the fix that must implement in their package. http://www.jms2win.com/images/fbfiles/files/synch.txt
