No reaction urgent i need help

Posted by rockyroads - 2011/04/08 11:59

I called and mailed . but no answer i need urgent help.
i have with pages with the slave sites.
so i need help fast i also orderd 1 hour support but
no update yet there.
greetings

Dear Rocky,

I was connected at the time we scheduled before you move in germany and I didn't received any email or call from you at that time.

I am still waiting that you contact me to reschedule another time for the support session.
