JMS, multisite for joomla - Joomla Multiple Sites and user sharing Generated: 1 August, 2025, 10:09

Jomsocial 2.8 Posted by studbook - 2012/12/10 21:53
Hi,
1. Do you speak French? Can you proceed support and training in French?
2. Will JMS Multisites be compatible with Jomsocial 2.8 ? (Jomsocial 2.8b2 is already released)
Thanks
Xav
