Sharing Events

Is there a list of everything that can be shared in 1.3? On the homepage it says events can be shared. Where can I find more info on that?

The list of extension is either available via the JMS "tool menu" and "help button" or in the website http://www.jms2win.com/en/list-of-extensions?view=extlist&id=269&Itemid=53
The sharing is related to the Joomla version and not to the JMS version.
