

How to upgrade JMS Version?

Posted by davinder - 2013/07/05 08:02

Hello,

Please let me know how to upgrade the JMS version?

I am using following version:

Version 1.3.13 - FULL

Patches definition Version 1.3.10

Now I want to upgrade JMS version. Please let me know after uninstalling the patches what to do next. What steps I should follow next?

Thanks

Davinder

Just install the latest JMS 1.3.x over the current one.
