How to upgrade JMS Version? Posted by davinder - 2013/07/05 08:02
Hello,
Please let me know how to upgrade the JMS version?
I am using following version:
Version 1.3.13 - FULL Patches definition Version 1.3.10
Now I want to upgrade JMS version.Please let me know after uninstalling the patches what to do next.What steps I should follow next?
Thanks Davinder

Just install the latest JMS 1.3.x over the current one.
