How to upgrade JMS Version?
Posted by davinder - 2013/07/05 08:02

_____

Hello,

Please let me know how to upgrade the JMS version?

I am using following version:

Version 1.3.13 - FULL
Patches definition Version 1.3.10

Now I want to upgrade JMS version.Please let me know after uninstalling the patches what to do next.What steps I should follow next?

Thanks
Davinder

_____

Just install the latest JMS 1.3.x over the current one.
