JMS, multisite for joomla - Joomla Multiple Sites and user sharing Generated: 16 September, 2025, 22:03

Many of the help links do not work Posted by mancer - 2013/05/11 04:51
running version 1.3.10 - FULL
Clicking on the help button in many parts of the JMS extension give 404 errors
Templates > ERROR Check Patches > ERROR Maintenance > ERROR Check for Updates > ERROR
Re: Many of the help links do not work Posted by edwin2win - 2013/05/16 07:11
Thank you for this reporting.
I have added some help content in www.jms2win.com to avoid these errors.
