JMS, multisite for joomla - Joomla Multiple Sites and user sharing Generated: 25 July, 2025, 16:52

| Many of the help links do not work Posted by mancer - 2013/05/11 04:51 |
|---|
| running version 1.3.10 - FULL |
| Clicking on the help button in many parts of the JMS extension give 404 errors |
| Templates > ERROR Check Patches > ERROR Maintenance > ERROR Check for Updates > ERROR |
| Re: Many of the help links do not work Posted by edwin2win - 2013/05/16 07:11 |
| Thank you for this reporting. |
| I have added some help content in www.jms2win.com to avoid these errors. |
